

BABACO®

STEALTH-LOK®

STEALTH-LOK® An Automatic Locking Device for Vans

For over 89 years BABACO – the largest transportation security firm in the country – has protected tens of thousands of trucks against break-ins by providing the most sophisticated security system on the road.

Benefits

- IT'S AUTOMATIC! Once the door is closed it is automatically locked
- Uses a high security, restricted keyway; that can be keyed differently or alike
- Made of tough, durable high-tensile cast material, tested to withstand severe shock and stress
- Assures you of the utmost in top cargo security
- Is installed permanently inside the vehicle, and does not utilize any cargo space
- Replaces vulnerable factory door locks
- Can be combined with BABACO One Key System
- Developed for any types of cargo van such as Sprinter, Metris, Caravan, Pro Master, Transit, Econoline, Express, Tahoe, NV, and Savana

BABACO Gives You

- **Expertise** - over 89 years in the transport security industry
- **Service** - immediate and expert
- **Free Consultation** on cargo security
- **Overnight Delivery**
- **BABACO Warning Sign** - a recognized, visible sign of security
- The sure **solution** for van cargo doors

Unique Features

- Makes every padlock obsolete
- Cannot be LOST, CUT, STOLEN, or FORGOTTEN
- Installed without welding

Every day we set out to prove our slogan to the world;

“The most trusted name in cargo security!”
